CASE NO. 1:99-CR-5023 AWI

ORDER CLOSING ACTION

13 On August 3, 2011, Ralph Augustin Vega ("Vega") filed a Petition for Writ of Habeas
14 Corpus pursuant to 28 U.S.C. § 2255 ("Petition"). The Petition contends that Vega was not given
15 the full benefit of a plea agreement. The United States responded to the Petition, and requested
16 additional time to resolve the plea agreement's issues. On February 22, 2013, the Court requested
17 the parties to submit a status report on any progress being made to the Petition's request or joint
18 motion to dismiss this action.

19 From this documents filed in this Court, it appears that Defendant Vega was released from
20 custody and is currently serving a term of supervised release. The Northern District of California
21 has granted the government's motion to reduce Petitioner's sentence.

22 As Petitioner has now been provided the relief he sought in this habeas corpus petition, the
23 petition is DENIED as moot and the Clerk of the Court is DIRECTED to close this action.

24 IT IS SO ORDERED.
